

## What's happening in September?

### It's Autumn!

The leaves are beginning to turn, it's getting dark much earlier and the overnight temperatures are definitely getting cooler...but don't worry, the fundraising situation is warming up nicely! We are pleased to announce that Tayport Community Trust has secured yet another grant of £250,000 from Fife Council, bringing the Council's total contribution to the Community Hub project to a wonderfully generous £500,000!

This builds on the progress TCT has made in August; taking the total funds raised to over £1.9 million, meaning we need just (!) £377,000 to ensure that work can start on Tayport's long-awaited Community Hub. Although it may be tempting to conclude that we have won the race, let's not get too complacent. There are still major hurdles to cross and we will need to work very hard to raise the remainder of the funding. In the meantime, we must say a very big thank you to Fife Council and to all the other donors who have supported the Community Hub project. Let's hope that their evident enthusiasm will be shared by the other funding organisations we have applied to! Keep your eye on this space, September isn't over yet...
