

## More good news!

### September is looking like a good month...

Hot on the heels of our second grant of £250,000 from Fife Council, the Robertson Trust has just informed us that it will contribute £125,000 towards the Community Hub project. This is marvellous news: the 'Still needed!' column on our histogram has been getting shorter and shorter as the year progresses. This generous contribution from the Robertson Trust means that we now need just £250,000 to allow the Community Hub project to go ahead. As noted before, there are still major hurdles to cross and we will need to work very hard to raise the remainder of the funding. In the meantime, we must say a very big thank you to the Robertson Trust and to all the other donors who have supported the Community Hub project.

### Looking forward to October

More applications are in the pipeline, so keep your fingers crossed and your eye on this space...
