### Other (please specify)

Gym  
 Gym  
 Gym  
 showers  
 Picnic Hut for hire? Private Camping hire for groups including fire pit  
 We would be interested in renting retail space. Mon-Sat 10-5 all year.

### Comments

- \* Halal options in cafe
- \* I would like to play tennis indoors in the winter or in a covered space. The 2 court hall would do.
- \* Choir practice and perhaps occasional charity performance. This would depend on competitive rates etc as at present we meet in Queen Street Church Hall and also would have to be agreed by all our members
- \* Many of the group felt if they were at the site for skateboarding then they would be likely to utilise the café, a gym and other activities like table tennis, pool and a climbing wall.
- \* For junior indoor coaching over the winter 4-6pm Richmond Sports carry out most of the clubs coaching Potential use also for adults short tennis
- \* We would definitely make use of a 4G pitch and a 4 badminton size hall as well as undoubtedly making occasional use of meeting space
- \* Can use the hall any night Mon-Thurs
- \* If there was a facility - 3or4G pitch - we could use for coaching sessions for younger players from Primary age to S2. However we currently do not have sufficient coaches to do this but our vision is to supply such a service by the time 2017/8.
- \* Hockey Club probably unlikely to use space regularly, but may use it on adhoc basis for juniors
- \* Height of sports hall is important. Clearance above the trampoline for recreational trampolining is a minimum of 8m and for performance trampolining is 12m. We offer both at our club.
- \* It would depend on what kind of a session we were running. As we have children only classes, adult only classes, family classes and seminars for everyone.
